

6.2.2

Implementation of e-governance in areas of operation

In today's scenario of administration, be it any Govt. office, educational institution or a private one, e- Governance has been replacing manual system of Governance in every institutions. The Govt. of India is, however in principle, intends to implement e- Governance everywhere. Because e- Governance yields to automation which results in saving manpower, time and delayed performance of activities.

Given the facts, Al-Ameen Memorial Minority College has paid emphasis on e- Governance for years together. However, the college is yet to introduce complete e- Governance, it is continuously at work to reach towards the goal of e- Governance.

It cannot however be denied that that in some cases manual system of e- Governance is also necessary, particularly for institutions like us which is located in semi- urban area and most of its stakeholders are from rural areas.

Therefore, the college has been maintaining a balance between between manual Governance and e- Governance, however giving priority to e- Governance, which is indeed a sign of progress.

Al Ameen Memorial Minority College
Jogibattala, Baruipur, Kolkata 700145, West Bengal

List of activities done as part of e- Governance :

- 1) Online Admission Process : onlineadmission.alameenmmc.org.in
